

THE ULTIMATE TEAM BUILDING AND BONDING EXPERIENCE

When you bring in your team for our Ultimate Team Building & Bonding Experience, you'll be treated to a unique program that only K1 Speed can offer. With excitement on and off the track, participants will work together to score maximum points for their team and claim the top step on our podium.

CREATE YOUR TEAM

When you arrive, you'll be split into three even teams (either random or predetermined - your choice). Together, you'll elect a team captain and create a name for your team that will be used throughout the experience instilling unity at the very beginning.

RACING

Every team member will participate in a practice and qualifying session. The fastest racers in each team will then advance to a main event race to score as much points for their team as possible.

BALL CHALLENGE RELAY

Three members from each team will compete in a relay challenge that's unlike anything they've ever done. Each team will race around the track with a soccer ball loosely attached to the front of the kart. It will require plenty of patience and skill to navigate the ball through the circuit without the ball falling off. Every time the ball falls off the kart, your team will lose valuable time. The first team to have all three members cross the finish line with their ball wins!

PIT CREW CHALLENGE

Four members from each team will participate in this exciting racing-inspired challenge. Each team member will be assigned to one tire on the kart. Each tire will then be removed, exchanged with the team member adjacent to them, and then replaced. The crew that finishes this challenge in the shortest time wins!

TAKE AWAYS

All participants will come away from the Ultimate Team Building & Bonding Experience with a renewed energy that will translate to improved morale, interpersonal skills, and overall effectiveness. If you're looking for something physical to take back to the office, be sure to check out our wide selection of stylish t-shirts that are offered to your group at a discounted rate of \$10.99 – nearly half off the regular price! These make attractive gifts that can be worn on your next casual work day to remind everyone of the fun you had with us.

PRICING

The entire experience will take a full two hours to complete and is designed for a maximum group size of up to 30 participants at a flat rate of \$2,500 plus tax, where applicable.

WE'LL SEE YOU ON THE TRACK!
